| MARIO GARCIA,             | ) |                            |
|                           | ) |                            |
| Defendant.                | ) |                            |

Comes now the United States, through Special Assistant U.S. Attorney Ryan M. Anderson and provides notice that the United States intends to use expert testimony pursuant to Federal Rules of Evidence §702 and Federal Rules of Criminal Procedure Rule 16(a)(G). The Government intends to call Defense Reutilization and Marketing Office (DRMO) Site Manager Wayne Tisdale, as an expert at trial. Wayne Tisdale will testify concerning his observations, findings, conclusions, opinions, and bases for his opinions which were based on the description of the surplus copper cable located at Radio Barrigada. In addition, Wayne Tisdale will testify concerning the valuation of surplus copper cable, the methods and reasons for such, as well as explaining terminology and findings. Wayne Tisdale has been employed for four (4) years as the Site Manager for DRMO in Guam. Wayne Tisdale has been employed for thirty (30) years in the disposal business in Guam, Japan, Korea, and the United States. During these thirty years,

1 Wayne Tisdale has completed numerous training courses relevant to the disposal of government  
2 surplus.

3 Respectfully submitted this 7 day of February, 2007.
